

## EDWIN AND MABEL SAUTER

Edwin, Mabel and John Sauter

The year 1970 found us celebrating 25 years as business people in Tuttle, and also a silver wedding anniversary, which our families hosted a party for us and enjoyed very much.

1963 was a big year for us as our son, John Leland, was born and has been our big interest ever since. John is in the second grade, as he started school thirty years after his father graduated.

Edwin still tries to find time aside from working at the bar to take John fishing, to ball games, etc. In 1968 we sold our smaller home and bought the former Peter Heth residence, which keeps Mabel busy trying to restore an older house and keeping the yard and flowers up.

We'd both like to say stop in and see us when ever you come to Tuttle.
