

Twins Fans See World Series

Three generations of Minnesota Twins fans were able to take in the World Series games at the Metrodome.

Art Scherbenske, Tuttle, Steve Scherbenske, Bismarck and Al and Kevin Scherbenske, Kenmare took in games one and two last weekend. They were thrilled to see their favorite team blast the Cardinals with a 10-1 win in the first game, and watched Blyleven pitch a superb game for win No. 2.

Art and Steve went back to the Dome for games six and seven, but Al and Kevin were unable to attend.

This family has been Twins fans forever and feel fortunate to have seen them play in the World Series and best of all, to watch them become the 1987 World Champions.

Congratulations, Twins!!
