

I am stealing Linda's format as it was short and concise

Alan Scherbenske

Birthday: January 26, 1947

Parents: Art and Lynora Sauter Scherbenske

Siblings: Linda Scherbenske
Steve Scherbenske, who is married to Anne Subart.

Both my sister and brother live in Aurora, Colorado within walking distance of one another.

Wife: Barbara Johnson Scherbenske. It will be 49 years on 7-24-21.

Son: Kevin Jay Scherbenske, who is married to Angela Kempel Scherbenske.

Grandkids: Ashley Scherbenske, currently a sophomore at Moorhead State.
Kyle Scherbenske, currently a sophomore at Bismarck Century.
Adyson Scherbenske, currently an 8th grader at Horizon in Bismarck.

Nephews: Erik and Amanda Scherbenske, who also live in the state of Colorado.
Sawyer Scherbenske, who is currently teaching school in Japan.
We also have 5 nieces and their husbands from the Johnson side of the family and 2 nephews from the Johnson side of the family.

Great Nephew: Logan Scherbenske, son of Erik and Amanda.

Education: Tuttle High School (1965)
Jamestown College (1969) BS degree in Business

Homes: Tuttle, ND; Jamestown, ND, and Kenmare, ND.

Career: Kenmare High School teacher for 40 years + subbing for another 12 years.

Story:

I, like Linda and Steve, had many aunts, uncles and cousins from both sides of our family that grew up in Tuttle, ND or close and I too feel fortunate for that part of my life. Sports, the school, the church, working at Riskedahl's store, Tuttle Dairy and our farm were all a happy part of my growing up.

Within about 2 weeks after graduating from Jamestown College, I interviewed for a teaching job in Kenmare, ND and have lived here ever since. For many years Barb, Kevin and I would move to Tuttle and help Dad with the farming but always back to Kenmare to start another school term. I think I was the last Sauter cousin to get mail, at least for 3 months a year, in Tuttle. I really enjoyed working with Mom and Dad those summers on the farm and in a big garden.

Barb and I bought a house in Kenmare in 1984, still raise a big garden, and enjoy seeing former friends, so if in the Kenmare area please do stop in and say hello.

Stay healthy to all of you.

AI
